INVITATION OF EXPRESSION OF INTEREST (EOI)

INTRODUCTION

(A) Background

Department of Science and Technology (DST) contribution in fostering and nurturing the fledgling innovation and entrepreneurship ecosystem steered through its strong network of incubators through National Science & Technology Entrepreneurship Development Board (NSTEDB) is unmatched in terms of efforts and impact. NSTEDB efforts through Innovation and entrepreneurship has played a key role in gaining advantageous position in the competitive technological game for achieving economic growth. The concentrated and high intensity efforts of NSTEDB, DST through its National Initiative for Developing and Harnessing the Innovation (NIDHI) umbrella programme such as Innovation and Entrepreneurship (I&E) training programmes nurtured and supported institution of higher learning during the last five years kindled the spark in innovation driven entrepreneurship & added multiplier effects across the nation bringing global recognition to the entrepreneurs and enterprises.

Entrepreneurs need information, orientation and facilities for nurturing and harnessing their intellectual prowess. Which needs to be sharpen for the development of new enterprises. In the spirit of fulfilling the objectives and unmet needs in this regard, Department of Science and Technology, Ministry of Science and Technology through its NIDHI (National Initiative for Developing and Harnessing the Innovation) umbrella programme of Capacity Building in Innovation and Entrepreneurship Training Programmes (CBI&ETP) have been organizing various training programmes by involving institution of higher learning as per the details mentioned below :

1) Women Entrepreneurship Development Programme (WEDP):

Duration- 4 Weeks.

Objective: To motivate and encourage potential women entrepreneurs having S & T background for new enterprise creation.

2) Technology based Entrepreneurship Development Programme (TEDP):

Duration- 6 Weeks.

Objective: Training programme for potential entrepreneurs having S&T background to promote technology led/ R & D based enterprises.

3) Faculty Development Programme (FDP):

Duration- 2 Weeks.

Objective: To train and enhance the supply of competent faculty / resource persons for teaching and training entrepreneurship.

GIST of Past I&E training programme activities : During the 2017-18 to 2020-21 7771 Innovation & Entrepreneurship training programmes were organized & 5,04,640 beneficiaries were sensitized/trained under the programme. Department is planning to support and organize

around 400-500 training programmes in virtual mode during this financial year 2021-22. Department may organize Innovation & Entrepreneurship training programmes in hybrid mode from F.Y. 2022-23.

In order to further strengthen the system and enhance the reach of the programme in different parts of the country, DST-NSTEDB intends to appoint a Programme Implementation Agency /Organization (PIA) for the scope of work as mentioned below for implementation of the DST-nstedb programme on Capacity Building in Innovation and Entrepreneurship Training Programmes (CBI&ETP) and related activities through a selection process deemed fit will be devised by the DST-NSTEDB.

The objective of this Assignment/Work (the “Objective”) is to seek services of Programme Implementation Agency /Organization (Hereafter called agency) for web application management, maintenance and updation which involve inclusion/removal/modification of information with regards to evaluation of proposals for I&E training programme, maintaining record of training programmes, approval process, release of the grant and maintaining of accounts and along with other allied activities as per the Rules and regulation of Govt. of India GFR-2017 during the contract period as specified by DST-NSTEDB.
